

Hell Session IV, Day 47: Back, Traps, Shoulders, Calves

LAT PULL-DOWN (WARM-UP SETS)

Add weight progressively across 2-3 sets, stopping each one well short of failure.

Lat pull-down

3 sets, 10 reps (rest 1 min.)

Lat pull-down

During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

CABLE SEATED ROW (WARM-UP SETS)

Add weight progressively across 1-2 sets, stopping each one well short of failure.

Seated Row

1 set, 10 reps (rest 1 min.)

Seated Cable Rows

During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

Lying T-Bar Row

During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

Barbell shrug

During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

Incline dumbbell reverse fly

During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

MACHINE SEATED CALF RAISE (WARM-UP SETS)

Add weight progressively across 2-3 sets, stopping each one well short of failure.

Seated Calf Raise

3 sets, 10 reps (rest 1 min.)

Seated Calf Raise

Perform on an incline bench if possible. During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)

Calf Press On The Leg Press Machine

Perform on an incline bench if possible. During each set, perform around 8 normal reps, followed by 4-6 Hellcentric reps. Use between 60-80% of your approximate 1RM. See Training Guidelines for details.

2 sets, 12 reps (rest 2 min.)
